# State Auditor's Office.

---

Helena, Mont., May 1, 1907.

HON. JOSEPH K. TOOLE,

Governor of Montana.

Sir:—I have the honor to submit herewith a condensed report of the Insurance Department of the State of Montana, which is controlled officially by the State Auditor and through his office, for the year ending December 31, 1906. This report includes the business written, premiums received, losses incurred and losses paid by the life, fire and miscellaneous insurance companies, including surety companies, authorized to transact business in this state, and is based upon their annual statements, filed with this department, showing their condition as of December 31, 1906.

In addition thereto, in alphabetical arrangement, will be found a list of all companies authorized to transact business for the year 1907, arranged in their separate classes, showing their assets, liabilities and surplus, giving the names and addresses of their managers and offices, and followed by a list of regularly appointed and duly licensed agents authorized to represent them in this state for the year ending March 31, 1908.

At the beginning of the report will be found a recapitulation of the fees and taxes received by this office for the fiscal year ending Nov. 30th, 1906. It may be explained that a considerable amount of the taxes due from companies, for business written during the year 1906, was not paid to this department until after the first of January, 1907, and, therefore, it has not become a part of the receipts for the preceding year, although unquestionably entitled to be classed with the taxes for that year. In view of the fact that this manner of accounting has always been followed, and in view of the further fact that a discrepancy exists between the date of the ending of the fiscal year and the expiration of the company licenses, as well as the date of expiration of agents licenses, caused by conflicting laws, I do not deem it necessary or wise to change the present system of reporting these collections.

Respectfully,

H. R. CUNNINGHAM,

State Auditor.

## Memorandum Relating to Fees and Taxes Required of Insurance Companies.

Admission fee required of all foreign insurance companies except assessment life, \$300.00.
